**Re: WARNING FOR UNLICENSED RADIO OPERATION
EB-11-GB-0021**

Dear Mr. Stryon:

It has come to the attention of the Federal Communications Commission that at multiple times in the last several months, you have made radio transmissions in the amateur bands, for which a license is required. Commission records indicated that you do not have an amateur license. In addition, it has been reported that you have been operating your CB radio at excessive power levels.

Operation of radio transmitting equipment without a valid FCC authorization is a violation of Section 301 of the Communications Act of 1934, as amended,¹ and may subject the responsible parties to substantial monetary forfeitures,² *in rem* arrest action against the offending radio equipment, and criminal sanctions including imprisonment.³ Because unlicensed operation creates a danger of interference to important radio communications services and may subject the operator to severe penalties, this warning emphasizes the importance of complying strictly with these legal requirements.

With respect to your CB operation, the Commission's rules require that you operate your CB station with an FCC certified CB transmitter.⁴ The rules also prohibit the use of external radiofrequency power amplifiers (sometimes called linears or linear amplifiers).⁵ The rules further provide that use of a non-certified CB transmitter and/or a power amplifier voids your authority to operate the station."⁶

¹ 47 U.S.C. § 301.

² Fines normally range from \$7,500 to \$10,000.

³ See §§ 401, 501, 503, 510.

⁴ 47 C.F.R. § 95.409(a).

⁵ 47 C.F.R. § 95.411(a)(1).

⁶ See 47 C.F.R. §§ 95.409 (a); 95.411(b).

**ANY UNAUTHORIZED OPERATION OF THIS RADIO STATION MUST
CEASE IMMEDIATELY.**

You have ten (10) days from the date of receipt of this warning to respond to this office. The response must contain a statement of the specific action(s) taken to come into compliance with the Commission's rules. **You are directed to support your response with a signed and dated affidavit or declaration under penalty of perjury, verifying the truth and accuracy of the information submitted in your response.** Your response should be sent to: 1270 Fairfield Road, Gettysburg, PA 17325 and reference the listed case number.

In an inquiry of this type we are required to notify you that under the Privacy Act of 1974, 5 U.S.C. § 552a(e)(3), the Commission's staff will use all relevant information before it, including information you disclose in your reply, to determine what, if any, enforcement action is warranted in this matter.

You may contact me at 717-338-2577 should you wish to discuss this matter.

Sincerely,

Laura L. Smith
